

Martin Chappen - Curriculum Vitae

---

Growing up in the suburbs of Wentworth, he has gained much of his knowledge from people around him as well as life's hard knocks that one experiences in areas of this nature. Connecting with people, young and old has been and is his highlight and forms his source of vibrancy and energy.

A humble yet enthusiastic approach to people and situations has produced many a positive outcome. As a youngster of Wentworth coming through the ranks, he now leads a youth group in this area and is part of a national youth organization.

Currently married to Vikki for the past 2 years, this 25 year old prioritises and places this union above all else.

A sociable and sporty person who enjoys the outdoors.

## The Person
